WillowBrook Ranch

Kelly Frear, Diego Torres, Benjamine Medina, Daniel Pangilian, Owen Man

OVERVIEW 01 Our Game Overview

FARM 02 In Detail About The Farm Scene

TOWN 03 In Detail About The Town Scene

BEACH 04 In Detail About The Beach

CONTRIBUTIONS 05 How We Split Up Work

FUTURE WORK 06 What We'd Want To Add

01
OVERVIEW

MAIN OVERVIEW

- Open-World Farming Simulator With Three Fully Hand-Crafted Areas: Farm, Town, and Beach
- Completed Core Systems:
  - Farming + Watering Mechanics
  - Four Crop Types: Mushrooms, Tomatoes, Eggplants, Carrots
  - Day/Night Cycle
  - Market Buying And Selling
  - Fishing Minigame
  - Scene Swapping, Animations, And Player Movement
- All Planned Features For This Sprint Were Completed Except The Friendship Tracker
- Next steps: Proper Friendship System

MAIN OVERVIEW

MAIN OVERVIEW

What We Finished

- Added 4 Crop Types
- An Easy & Hard Fishing Minigame
- Two Markets To Buy And Sell
- An Inventory
- In-Game Audio
- Sprinting Mechanics
- Rotating Camera
- Animations
- 3 Main Scenes
- Began NPCs
- Skip To Next Day Mechanics

What We Wish We Finished

- Friendship Meter & Tracker
- Extra Quests
- Energy Bar

02

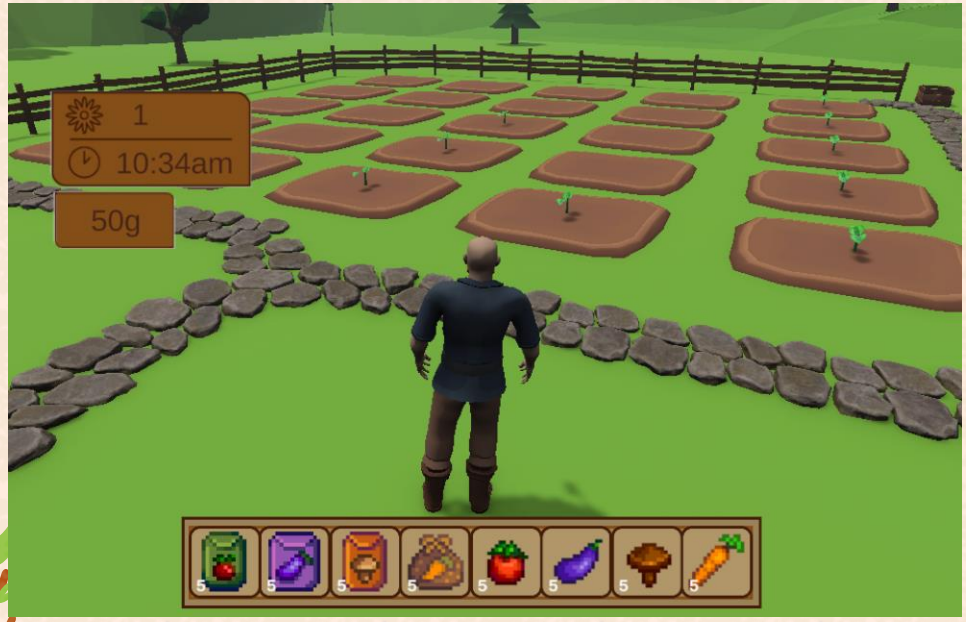

FARM

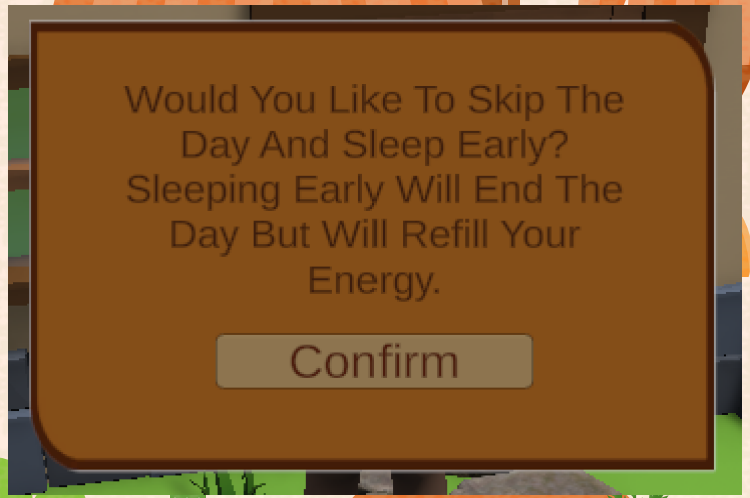

THE FARM

- Features 16 Crop Plots Where Players Can Plant, Water, And Harvest Their Crops
- Includes The Player's House, Which Allows You To Skip To The Next Day
- Designed As The Main Farming Area Where Most Core Gameplay Begins

THE FARM

FUTURE WORK

FUTURE WORK

01

PROPER FRIENDSHP METER

Adding And Finishing The Friendship Mechanics Where It Tracks Your Friendship W/ The NPCS

02

SKILLS

Different Trackable Skills That Increases Based Off Of Different Things You Do In Game. We Could Include Skills Such As Fishing or Farming

03

Quests

Adding Quests Or Other Goals For The Player To Complete In Order To Get In-Game Rewards. This Also Adds A Storyline To It

THANKS!

Does anyone have any questions?
